

SEASONS FOR CHANGE

The seasons of our lives
are seasons for change.
They are passages of time,
full of thoughts, actions and people that rearrange
our days into memories.

They begin with our dreams,
each as numerous as the autumn leaves that remind us
of the changes that life holds in store for us.

And as winter's snow
changes the world around us,
so too, do our perceptions
of our selves and the paths we seek to follow.
It is a time of thought, a time of self,
a time to reflect on where we are going
and who we will become.

Soon, these answers become clear,
as the world around us springs forth with challenges and change.
Never constant,
we are a reflection of the world in which we live,
a world where our todays prepare us for the tomorrows to come.

Summer then beckons us to leave
this place we have come to call home.
And as we end one dream, we begin another.
For the seasons of our lives, are seasons for change.

DEDICATION

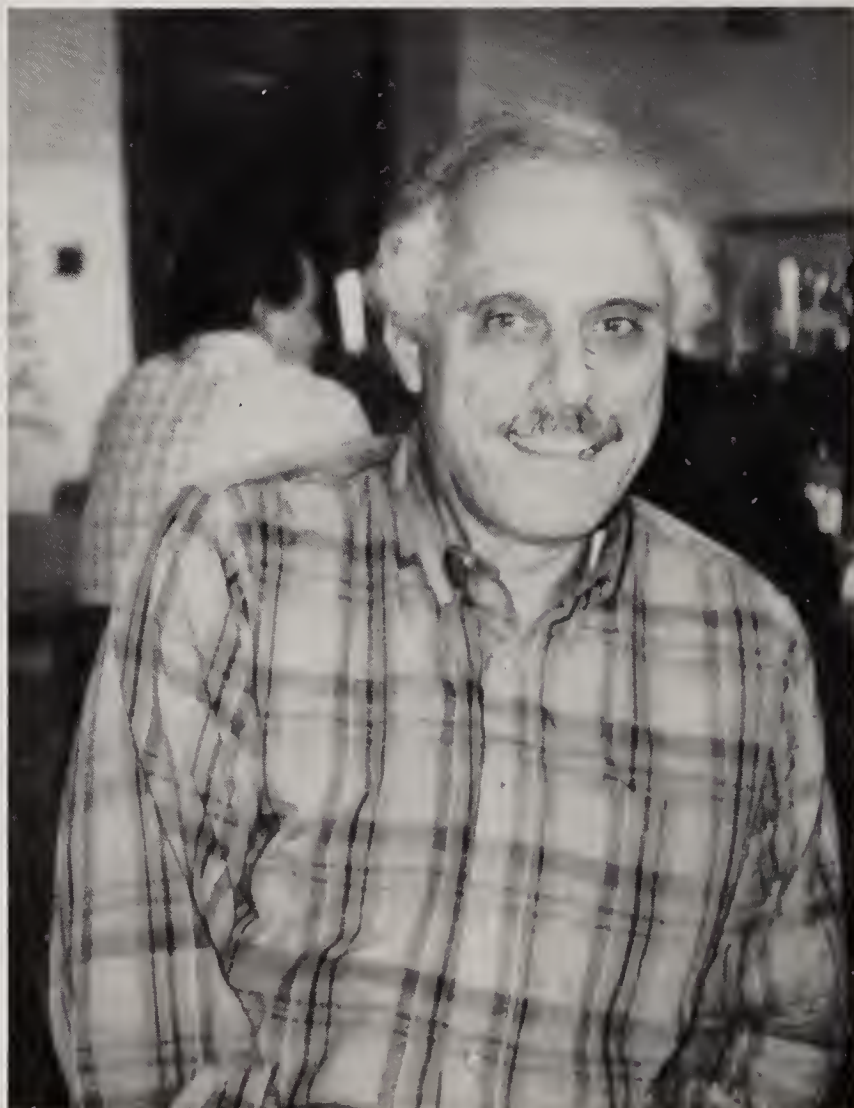

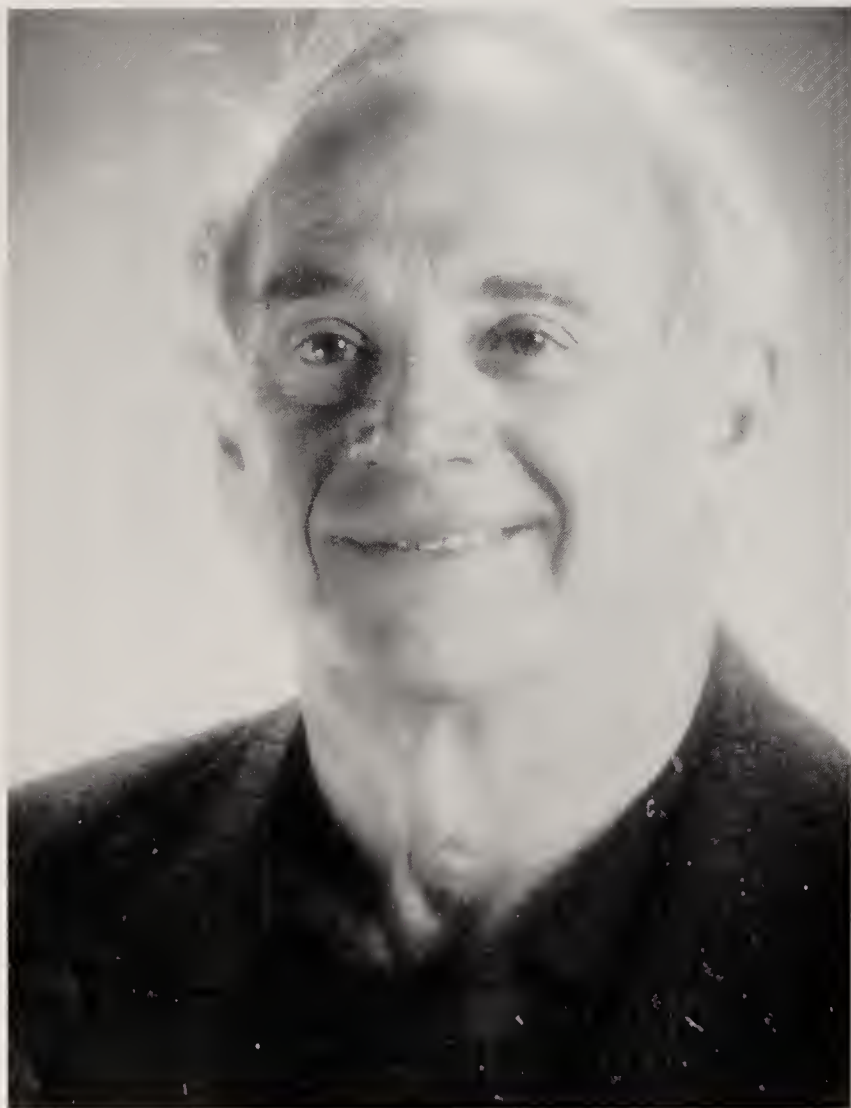

Robert Hersee

The Class of 1995 would like to dedicate this yearbook to John Cuoco and Robert Hersee for their devotion to the Medfield students and their enthusiasm in teaching and preparing us for the world ahead. We wish them happiness and luck in their retired lives.

Brendan
CONGRATULATIONS ON A JOB WELL
DONE

Our wish for you, is that when obstacles get in the way of your goals and dreams, you will challenge them with the knowledge that wisdom and growth are the rewards. Look your fears in the eyes and charge right through them. Because, the trouble is, if you don't risk anything, you risk even more. Most Important — Be Happy!!

Love Mom, Grammy and Grampy

“MAY THE FORCE BE WITH YOU”

IT SEEMED LIKE ONLY YESTERDAY

It seemed like only yesterday
That you were very small
Always running, always laughing
Always chasing a bouncing ball.

Those wonderful years flew by
Quicker than we would know
Always it was a joy being there
Guiding and watching you grow.

The smiling toddler became
a happy little boy
This boy became confidently
A busy and grown-up teen
It seemed like only yesterday
Where did the years go in between?

Now another road is beginning
Its course we cannot tell
Now a new life is calling
Best wishes, be happy
Travel the path well.

WITH LOVE TO CHRIS GALLO FROM MOM AND DAD

Are You Frustrated Having Your Car Repaired?

Perhaps you took it to a "Parts Changer" instead of a Diagnostician.

Modern High-Tech cars require proper diagnosis and repair. Auto Dynamics is a State-Of-The-Art Diagnostic and Training Center. Our services comply with all auto manufacturers warranties.

Please call us if you need an in-depth look at your car. Repairs are done correctly, the first time.

STEPPING FORTH

Climbing another step
I cannot help but look back
down at the hallway
behind me
To the first day
we stepped into the school as freshmen
afraid to let go of each other's hands
and venture forth
into the crowd
But today
we are the seniors
making and leaving memories behind
our final year of familiarity
of noisy hallways littered with

streamers and candy wrappers
of cheers at basketball games
of friendships that grew
stronger this year
of the streams of blue and white
taking silent steps across the stage.
And tomorrow
we step alone into the path of life
releasing each other's hands
but never forgetting the security
they held.
